Hamster Sam

by Dave McDonald

What do you think is going through Hamster Sam's mind as he tastes the moon for the first time? Do you think he likes it? Use the visual clues in panel #3 to come up with the words that Hamster Sam might be saying after taking his first bite.

Create your own comic! Use the PANELS below to create your very own comic strip! Make a comic about you and your pet...or an alien landing...or create a new super hero! Create a TITLE for your comic and write it above the first panel and make sure to SIGN your name in your comic so that everyone knows who the cartoonist is. Use your imagination and get started!
